4. Click on the Activate Button

That's it! You are now ready to begin giving away your free Genies by sending people to your MyShoppingGenie Web site. It's as simple as that! There is no limit to the number of Genies you can give away. You must also activate your monthly subscription, which will allow you to continue giving away unlimited Genies as long as you remain active.

INCREASE YOUR REACH WITH THE BRANDABLE GENIE

By simply doing a search using a favorite major search engine such as Yahoo or Google, the Genie instantly appears on the user's computer screen, featuring a simple to navigate selection of major online shopping and auction sites, e-commerce sites and local businesses. Users can conduct their own comparison pricing with just the click of the mouse.

With the brandable Genie, one can customize the Genies they give away for free and promote personal or company Web sites, special causes or unique services. By clicking on the customizable block located on the left side of the Genie, one will be taken to the customer's Web site or personalized page via a hyperlink. This can be utilized by businesses, special interest groups, non-profit organizations, schools, churches ... the possibilities are endless.

Just think ... every time the recipient of one of your Genies does a search, your ad or Web site will appear on their computer screen with the Genie! This provides incredible online exposure and highly effective marketing and branding opportunities for less than \$1 per day. And remember, there is no limit to the number of Genies you can give away for free! Don't have a Web site? MyShoppingGenie provides you with incredible free tools such as the Business Profile Builder and Coupon Maker to give you an immediate presence on the Web, at no additional cost!

HOW TO SET UP YOUR NEW BRANDABLE GENIE

Upload your logo or image and add your Web site address or hyperlink through the Genie Manager, located in your MyShoppingGenie Online Office. Simply login to your online office, select Maintenance and then click on Genie Manager and follow the instructions.

2. ACTIVATE YOUR MSG MONTHLY SUBSCRIPTION
